101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the clauses of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

There shall be a marginal number every fifth line of each page; the numbering of the lines is not to run on through the Bill, but the lines of each page are to be numbered separately. Three hundred copies of each Bill shall be deposited with the Clerk of the House immediately before the first reading. If amendments are made to any Bill during its progress before the Committee on Private Bills, or through the House, such Bill shall be reprinted by the promoters thereof.
